Executive Engineer's Office, Godavari Western Division

Dated 19th October 1888.

From

The Executive Engineer
Godavari Western Division

To

The Superintending Engineer
First Circle

Enclosure.

Sir,

I have the honor to bring the following facts to your notice, and request that you will be good enough to obtain the orders of Government thereon.

1. By G. O. N^o ^{223/Tr} 21-7-88 requires that ^{the} service books of all subordinates should be annually verified.

2. I find ^{that} the service ^{books} of certain subordinates in this Division, are not to be verified in this Office, or in the Offices of other divisions in which they have served for want of records. I therefore in my N^o 32 of 20-9-88 forwarded certain extracts from service books to the

Examiner

Examiner Public Works Accounts requesting him to verify them from his Office records.

3. The Examiner in his No 920 th/₄, dated 14th October 1888 (herewith forwarded), declines to verify, unless a declaration is submitted, in accordance with section 130 Rule I of the Civil Pension Code.

4. This certificate I am of course unable to give.

5. The case therefore stands thus:-

G.O. No 2231 W of 21st July 1888 requires that all service books should be verified yearly.

Certain service books can only be verified in the Examiner's Office.

The Examiner declines to verify without the declaration required in section 130 Rule I of the Civil Pension Code, or unless the subordinates in question were formerly in his Office, or in the Accounts branch, in which case he would verify as the head of an Office.

6. As the conditions under which the Examiner will undertake the verification of service registers, do not apply to the Service Registers in question, I have the honor

to request that orders may be obtained how G.O. No 2231 W is to be complied with.
