SIR,

Enclosures.

I have the honor to request that sanction may be given to the outlay of Rs 6 incurred by the Executive Engineer North Arcot Dn, for printing certain forms of tender for Schedule Contract, in lieu of the form No. M 158 supplied by the Examiner. The Ex. Engineer explains that the form supplied by the Examiner is not well understood by the tenderers and so the enclosed form was printed by the Executive Engineer

I have the honorable

If the Executive Engineer wished to have a code form modified, he should have addressed the Chief Engineer P.W.D. through the Supdg. Engineer or the Examiner. It would hardly do for every Executive Engineer to introduce local modifications on his own authority, vide para 1714 of the P.W. Code.

2.

The Executive Engineer should have obtained necessary sanction beforehand.
