Proceedings of the Madras Government.
Public Department, 7th September 1866
No. 46 Read the following
letter from the Magistrate of
Malabar to the Acting Chief Secretary
to Government, Fort St George
dated Palghat 17th July 1866.

I have the honor to report
that the Palghat Municipal
Commissioners held its first
meeting this day and that steps
have been taken for the immediate
commencement of Municipal action.
2. As Mr Logan has been
appointed to act as Sub-Collector
at Tellicherry and Mr Cameron
is now Acting Head Assistant here,
I request Mr Cameron may be
appointed a Municipal Commissioner
for Palghat for the term of
his

his acting appointment.

3. The old Talag Catchery here is in tolerable repair. It is a quadrangular building enclosing a small Court. The largest room and a portion of the building is now occupied as a Post office, but nothing like the space is required and there several other rooms than that now used by the Post office writer, which will be equally convenient and more than sufficient for the requirements of the Postal Department. This building is otherwise vacant and indeed suffering by non-occupation.

4. I beg, therefore, the sanction of Government to appropriate the large room just alluded to and its two ante-rooms as a Municipal office on the condition that it is kept in good order by

the

the Municipality, one or two of the other rooms can be kept up as the Post office.

POSTMASTER GENERAL'S OFFICE.
MADRAS, 6th May 1888.

FROM

H. Farrer Esq.

POSTMASTER GENERAL,
MADRAS, 98/8

TO

THE — SECRETARY TO GOVERNMENT,

Public Works DEPARTMENT,

FORT ST. GEORGE.

SIR,

19/8
8

I have the honour to solicit
the orders of Government on the following
question. During a recent visit to
Palghat I found that the
Municipal office of that station
and the Post office are quartered
in the same building, which I
understand belongs to Government.

2. As no information was
available in my office as to the
circumstances under which the
Municipal office was allowed
accommodation in that building,

I

10/1/84

I addressed the Superintending Engineer IV^a Circle on the subject who forwarded to me a copy of G.O. No. 909 dated 7th September 1866 sanctioning the arrangement, which I append hereto for ready reference. This order was issued so far back as 1866, i.e. 22 years ago, but since that year Palpat has risen in importance and the work of the Post office has greatly increased, various new branches of business having been undertaken. The office is also now a Combined Post and Telegraph office and separate accommodation is required for the Telegraph instruments. The consequence is that the work is now conducted under disadvantages, for want of suitable accommodation. It is therefore desirable that the ~~whole~~ building should be appropriated for the use of the Combined office.

14/11
I submit herewith a rough ground plan of the building in question from which it will be seen that the accommodation allowed for the Combined Post and Telegraph office and for the residence of the Sub Postmaster is very limited. The Sub Postmaster's quarters are decidedly insufficient and he suffers great discomfort for want of suitable accommodation.

3. Under these circumstances I venture to express a hope that Government will be pleased to pass orders directing that the entire building be placed at the disposal of this Department.

I have the honor to be,
Sir,
Yours most obed^tly servant
