READ—the following papers :—

From H. B. GRIGG, Esq., M.A., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 14th December 1888, No. 9375.

In submitting, countersigned, plans and estimate amounting to Rs. 1,442 for certain additions to the School of Arts buildings, Madras, I have the honor to request that you will be good enough to obtain the sanction of Government for the same and for the allotment of funds to enable the work to be proceeded with. The extensions are necessary partly for the provision of additional store-room, but still more for providing accommodation for the carpet-weaving looms—an industry which has been recently introduced, and which bids fair to be remunerative as well as very suitable from an educational point of view.

Approved and transferred to the Public Works Department.

(By order.)

Under-Secretary.

16th January 1889.
