OFFICE NOTE No. 96.

W.

As it is necessary to re-print a fresh supply of working form No. M. 67 "Chalan or memo to accompany remittances by P. W. D. officers to Civil Treasuries", I beg to suggest the substitution of the accompanying revised form for the present form.

2. In the absence at present of any definite instructions on the form as to the items of information to be inserted by the remitting officer, items are often credited by treasury officers to wrong heads of account owing to information being given which is quite unnecessary, and had much better not be given and thus discrepancies arise between the Public Works and Civil accounts.
