Executive Engineer's Office, Godavari Western Division.

dated December 1888.

From

The Executive Engineer
Godavari Western Division.

To

The Superintending Engineer

Enclo:

Sir,

I have the honor to bring to your notice that the old Sub-Magistrates Cutcherry at Penta pad, Tanuku Taluq, borne as No. 2, Provincial, in the Register of Buildings of this Division, is useless for any purpose whatever, except as a building site. The Roof has almost entirely disappeared except a few palmyra posts, and the walls, which are of brick, have nearly all fallen down. The whole building as it stands is only worth about Rs. 5-

2. It is situated in the centre of the village of Pentapat, and is useful as a building site; applications for which are being received both in this and the Revenue Department.

3. I therefore request you will be good enough to obtain sanction of Government under para 1033 of the Code, for dismantling the building, and making over the site to the Revenue Department, to be sold by public auction.

I have the honorable
