GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper: —

From Lieut.-Colonel A. C. SMITH, R.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 11th October 1889, No. 624 T.C.

In continuation of this office No. 560 T.C., of 30th September 1889, regarding well in the cantonment of Trichinopoly, I have the honor to forward copy of letter No. 84/12 of the 2nd October 1889, from the Collector of Trichinopoly to the Executive Engineer. From this letter it will be seen that nothing remains to be done in the matter.

2. It would appear that the Railway authorities reported that they did not require the portion of the peramboke land on which the well stands and that the well has not therefore been made over to them.

ENCLOSURE.

From G. W. FAWCETT, Esq., Acting Collector of Trichinopoly, to the Executive Engineer, Trichinopoly, dated 2nd October 1889, No. 84/12.

Referring to your letter No. 289 M., dated 12th August 1889, I have the honor to inform you that the well referred to in G.O., No. 170 D., dated 11th May 1889, is not identical with that referred to in G.O., No. 2218, dated 29th March 1889, and did not belong to the Military authorities.

2. There has been some confusion in the matter. The extent first asked for by the Railway Company was acres 8·47, of which 6·31 acres were patta land with a well on it and 2·16 Brigade ground peramboke also containing a well. Compensation has been settled and paid for for the former. As regards the latter, application was made through the Commanding officer to Government for its transfer to the Railway authorities and sanctioned in G.O., No. 2218, dated 29th March 1889. But in the interval the Railway authorities reported that they did not require the portion of the peramboke land on which the well stands and the well has not therefore been made over to them. Nothing need therefore be done.

ORDER—dated 18th October 1889, No. 2938 W., Public Works.

Communicated to the Consulting Engineer for Railways and to the Military Department, with reference to para. 2 of G.O., No. 2218, Military, dated 29th March 1889.

(True Extract.)

OCTOBER

Well in the Cantonment of Trichinopoly

Letter from the Superintending Engineer, VI Circle, reporting that the — has not been handed over to the South Indian Railway authorities owing to the land on which the well stands not being required, communicated to the officers concerned.

2938

Letter from G. W. Fawcett Esq:, Ag. Collector of Trichinopoly, to the Executive Engineer, Trichinopoly, No 84/12 dated 2nd October 1889.

Referring to your letter No 289 M/12-8-89, I have the honor to inform you that the well referred to in G. O. No 1705/11-5-89 is not identical with that referred to in G. O. No 2218/29-3-89 and did not belong to the Military authorities.

2. There has been some confusion in the matter. The extent first asked for by the Railway Company was acres 8.47 of which 6.31 acres were patta land with a well on it, and 2.16 Brigade ground Perumbuke also containing a well. Compensation has been settled and paid for, for the former. As regards the latter, an application was made through the Commanding officer to Government for its transfer to the Railway authorities and sanctioned in G. O. No 2218/29-3-89. But in the interval, the Railway authorities reported that they did not require the portion of the Perumbuke land on which the well stands

lands and the well has not therefore been made over to them. Nothing now therefore has been done.
