No. dated } 188

With reference to his Progress Report for the week ending the 24th August 89, I have the honor to make the following remarks.

A first class man (famine) Coolie is not entitled to more than A D 2-3 per diem when rice sells at 18 Seers the rupee. See Section 185 of the Famine Code & he will be good enough to report why a rate of A D 2-6 has been paid and it does not appear from the Progress Report for what number of Coolies this high rate has been paid

(2.) No second class Coolies appear to have been employed
