Copy of a letter No. 5/447 dated 2nd September 1889 from D.J. Donaldson M.D. Brigade Surgeon Medical Officer in charge Station Hospital Bellary, to the Station Staff Officer Bellary—

I would beg to bring to your notice, that the roof of several of the wards, upper story, in this Hospital is leaking, some to such an extent that the water is dropping on the floor and to state, that I consider this defect a serious one for the sick. As I believe that money has been allotted for a new roof, I would request the favour of the proper authorities being called upon to proceed with the work at once.
