REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from the

Superintendent, Government Central Museum, dated 6th September 1889, No. 587.

I have the honor to propose, for the consideration of Government, that as there is no available space in the Museum for the exhibition of the large collections of raw products, woods, etc., which have gradually accumulated and await arrangement, the present Lecture Theatre should be converted into a distinct economic Section. The room which is very seldom used for lectures, is well adapted for the purpose, and very slight changes would require to be made; the raised rows of chairs and stage having to be removed, and possibly, a portion of the floor having to be relaid with wood. The necessary slight expenditure for the alteration of the room, would, I imagine, be covered by the sale of the woods, which form the present floor, stage &c., and is in excellent condition.

Order thereon, 14th October 1889, No. 6588

The Superintendent's proposal is accepted. The work should be carried out by the Public Works Department.
