2986

No. 694.

From

The Private Secretary to
His Excellency the Governor.

To

The Chief Secretary to Government,
Stonehouse Hill.

Sir.

I have the honour to address you regarding the annual grant for the upkeep of the Government Houses at Madras, Guindy and Ootacamund.

The yearly allotment for this purpose is Rs 5000/- and the balance unspent at the end of any official year is re-allotted to form an addition to the grant of the succeeding year. On this principle the grant for the current year amounts to Rs 7172/- as specified in G.O. of 8th July 1889 No. 807 W. Public Works.

4

The public rooms at Government Houses, Madras and Guindy, are in urgent need of renovation both as regards furniture and fittings; and it is proposed to spend about Rs 5000/- for this purpose before November next, reserving the balance of the amount available for other sundry repairs that may be required before the end of the official year.

A Special expenditure is however also necessary for the furnishing of the rooms which will be occupied by His Royal Highness Prince Albert Victor during his approaching visits to Madras and Guindy. An estimate has been framed by Messrs Deschamps & Co. which has been cut down to the lowest possible amount, and it is found that the cost of the proper furnishing of these rooms will amount to abont Rs 5000/-

The expenditure required

on the public rooms cannot possibly be postponed and thus no balance is available to meet the special expenditure required in connection with His Royal Highness' visit.

I have therefore the honour to address you with a view to a special grant being sanctioned for the expenditure required in connection with the furnishing of His Royal Highness' apartments and to request that a special allotment of Rs 5000/- may be made for this purpose.

You will doubtless be aware that, when His Royal Highness The Prince of Wales visited Madras, a very large grant was made from public funds for the refurnishing and redecoration of Government House.

I have the honour to be,
Sir,
Your most Obedient Servant

The enclosed file is forwarded to Mr. Vincent for favour of very early remarks with reference to the Hon. Mr. Stokes's note on the draft order.

Apparently the Supdg. Engr's demand for Rs 5000 for repairs to the buildings is quite distinct from the special grant of Rs 5000 asked for by the Private Secretary for furniture charges.

Rule Babe. Buchanan
Lt-Col. Rly
Asst Secy to Govt.

The case stands thus. There is annual grant of Rs 5,000 for the furniture of the three Govt. Houses, & it was to supplement this grant (for the furnishing of H. R. H's rooms) that I wrote on Aug 20th. This annual grant is at the disposal of the Pris. Secy.

There is also a grant at the disposal of the P. W. D for whitewashing & general repairs to the buildings. This is divided, I believe, among the different P. W. divisions in which the 3 Govt. Houses are situated. With this grant the Pris. Secy has no concern, & knows nothing about, its distribution being in the hands of the different Ex. Engrs.

When the question came up at Simla, I said that the Rs 5000 had been given (in G. O. 4 Sept/89)

B.W.D

was all that would be required, but I referred only to the furniture grant. The "building" grant I know nothing. But if the two they require a supplemental allotment to put the Guindy House into proper order he can, I suppose, be allowed to have it.

C.E.
6/10.

Resubmitted to the Hon.

The Grant of Rs 7,000 mentioned by the Supdg. Engr as the limit of amount for repairs to the buildings should be exceeded by the Supdg. Engr was asked to give details of the expenditure of the Rs 7,000 for repairs at Govt House Guindy.

Recd
16.10.89

I am not satisfied that any such grant is required. Let enquiry be made for Col. Burton to ascertain what the money is wanted for and at whose demand. Let it not be that besides the Rs 5000 for furniture there is an annual allotment of Rs 15000 for P.W.D. repairs to Govt House, or that the expenditure for such repairs is to be restricted to that amount. I am not prepared to give countenance in the matter
