From Brigadier-General M. PROTHEROE, C.B., C.S.I., Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 3rd January 1889, No. 38 A.

With advertence to Proceedings of Madras Government, No. 3548, of 30th May 1888, I have the honor, by order, to request that Government may be moved to instruct the Public Works Department authorities of the III Circle to carry into effect, with all possible despatch, the repairs to the Native Cavalry hospital at Bellary, sanctioned in the above quoted Government Order.

2. The 20th Madras Infantry is now on the march from Kamptee and is expected to arrive at Bellary on the 27th proximo, and it is most desirable that the sick of the Cavalry now accommodated in that portion of the Native Infantry hospital to be occupied by the 20th Regiment should be transferred to their own hospital against the arrival of that corps, in order to obviate the necessity for placing the sick under canvas during the hot season.
