28TH OCTOBER 1889, No. 3032 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper:—

From Captain H. A. STREET, H.M's.I.M., Presidency Port Officer, to the Chief Secretary to Government, dated Madras, 18th September 1889, No. 801/404-G.

I have the honor to forward, for the information of Government, the accompanying copy of letter, No. 1090, dated 9th instant, from the Port Officer, Gopálpur, respecting the loss of cargo boat No. 74, while landing Public Works stores at that port, and, under the circumstances brought to notice, beg to submit the request of the owner and crew of the boat in question for the favorable consideration of Government.

ENCLOSURE.

From N. A. W. HAMILTON, Esq., Port Officer, Gopálpur, to the Presidency Port Officer, Madras, dated Gopálpur, 9th September 1889, No. 1090.

I have the honor to report that, while landing Government stores (crow-bars) yesterday, boat No. 74 was thrown on the beach by surf and completely broken. It was a fine day for working and the surf broke close inshore. All the crow-bars were saved. The owner and crew of the boat have presented a petition for compensation, and as the boatmen are very poor owing to the famine, I think the Public Works Department to whom the cargo belonged might give some compensation for the loss. The value of the boat is about Rs. 30, but if the men could get half or one-third her value, they could manage to get another boat. When private merchants engage boats and they get broken they give compensation, and, if you think proper, I would suggest, in cases of Government cargo, the departments concerned might be charged up to one-half or one-third the value of the boat taking the circumstances into consideration. The boatmen object to carrying iron as they are so liable to get their boats broken on the shore.

Transferred to the Public Works Department.

(Signed) W. S. MEYER,
21st September 1889. Assistant Secretary.

Office note from the Examiner, Public Works Accounts, dated 19th October 1889, No. 1493.

There seems to be no objection to Government sanctioning as a special case such compensation as is considered proper. It should be charged to the work for which the stores, &c., were intended.

ORDER—dated 28th October 1889, No. 3032 W., Public Works.

Payment of Rs. 15 to the boat owner as compensation is sanctioned.

2. The charge will be adjusted in the manner suggested by the Examiner.
