GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following :—

Circular from the Government of India, Public Works Department (Account—General), dated Simla, the 3rd October 1889, No. 6 P.W.

Receipts for payments to Government.

Read the following extract from the Report by the Committee on Public Works Accounts :—

89. *Payments to Government.*—Sometimes Executive Engineers and officers subordinate to them have to give acknowledgments to the public for money received on behalf of Government. These are now generally issued on the hand receipt form, but for this purpose form 16 is not quite suitable, and the Committee thinks it will be better to use an entirely separate form in future (*vide* para. 463 below under miscellaneous subjects).

Receipts for payments to Government.

463. The Committee recommends that there should be an entirely separate form established for this purpose (*vide* specimen below); and that the working forms should be bound in books with counterfoils like cheques, and be machine-numbered. Such documents are likely to be frequently made the basis of claims on Government for repayment, and great care should be taken in the issue of such receipts. As a rule no one under the grade of sub-divisional officer in charge of a territorial sub-division with a drawing account, or zilladar in the Irrigation Branch, should be allowed to issue receipts on behalf of Government.
