28TH OCTOBER 1889, No. 3039 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following papers:—

From Colonel W. H. BURTON, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Dusi, 19th August 1889, No. 3360.

I have the honor to inquire whether there is any explicit order of Government or of the Government of India in the Military Works Department to the effect that all barracks and hospitals shall be lime-whited throughout inside twice a year, or whether the practice as in this Presidency is correct, viz., to limewash them throughout inside once a year and again whenever any particular room or even building may require to be limewashed a second or third time, &c., or as often as a medical certificate that the occurrence of an infectious disease in any such room or building supports such a repetition of this class of repairs.

2. As may be seen from a circular, No. 141, dated 11th December 1888, recently received from the Deputy Surgeon-General, Madras District, he says that the former practice is in force throughout the service, but I cannot find it so stated in the Public Works Code.

———

From Brigadier-General M. PROTHEROE, C.B., C S.I., Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 5th October 1889, No. 1138-A.

In returning the documents which accompanied Reference Order No. 5912, dated 29th August 1889, I am directed to state that His Excellency the Commander-in-Chief is of opinion that the rules in force both in Bengal and Bombay for limewashing military buildings might, with advantage, be introduced into this Presidency, and that the Surgeon-General, Her Majesty's Forces, to whom the question has been referred, concurs in this opinion.

2. The rules above quoted are to be found in Bengal Barrack Regulations, section 2, para. 90 (*b*) and in Bombay Barrack Regulations, section 2, para. 30 (*b*).

3. A copy of the circular referred to in the correspondence, herewith returned, as issued by the Deputy Surgeon-General, Madras District, is forwarded as requested. I am to remark that the attention of the Surgeon-General, Her Majesty's Forces, will be drawn to the fact that the Deputy Surgeon-General, Madras District, has required that all occupied barracks should be whitewashed twice each year, this not being provided for in the regulations.

Circular Memo 141.

The Deputy Surgeon General having noticed that considerable irregularity exists in carrying out the periodical white-washing in the Hospitals and Barracks in the Madras District, requests that the Officers in Medical charge will be good enough to note carefully in their diaries the date on which each white-washing is completed and bring the matter to notice if any unusual delay occurs before the next periodical repair.

The interior of all occupied barracks hospitals and guard-rooms should be white-washed twice each year.
