GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

Read—the following papers :—

From Major D. McNEIL CAMPBELL, R.E., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 2nd September 1889, No. 806-G.N.

I have the honor to submit herewith copy of a letter No. 211-S.E., dated the 20th August 1889, received from the Executive Engineer, Rushikulya Division. I am doubtful of the advisableness of giving general sanction to the appointment of unpassed men by the Executive Engineer, but I consider that once the sanction of Government is obtained to each appointment (this would not take more than one month), the Executive Engineer might be allowed to disburse the salary before audit by the Examiner, that is, supposing a man is appointed on the 15th of a month and the sanction of Government is received on the 15th of the following month, the Executive Engineer should be allowed to disburse the salary for one month and the payment of the salaries should afterwards be regulated by the rules applicable to other clerks. I recommend that the above suggestion be sanctioned, as I am convinced that it is not possible to get passed men in the Ganjam district.

Enclosure.

From W. C. DeMORGAN, Esq., Executive Engineer, Rushikulya Division, to the Superintending Engineer, I Circle, Dowlaishweram, dated Doegam, 20th August 1889, No. 211-S.E.

I have the honor to bring to your notice that the rules regarding the employment of unpassed candidates and the subsequent necessity of audit by the Examiner prior to disbursement of their salaries, affect this division very materially, not to say prejudicially.

2. As pointed out in my letter No. 79-S.E., dated 26th May 1889, I am unable to obtain the services of passed candidates. The district is among natives always an unpopular one, and at the present time when famine-stricken, more than usually so. Those, therefore, who can obtain employment elsewhere, will do so, and my range of choice is nearly limited to the inhabitants of the district.

3. Before the temporary appointment of an unpassed candidate can be substantiated, it must receive the sanction of Government, and no salary may be disbursed prior to audit by the Examiner, neither is it admissible to grant any advance of salary.

4. Between the date of appointing a clerk and the date on which according to rules I am permitted to disburse any pay to him, the average lapse of time is three months. Most of the parties employed are poor men and in immediate want of money, and naturally object to waiting so long for their pay. At the present time there is considerable demand for clerk and gumastahs in other departments beside the Public Works Department, and I am unable to procure the best men among unpassed candidates.

5. I have therefore the honor to suggest that—

(*a*) that I may generally be permitted to employ the services of unpassed candidates in anticipation of the sanction of Government;

(*b*) that I be permitted to pay the salaries of such unpassed candidates at the expiration of a month from the date of entertainment;

(*c*) or to give an advance of one month's salary.

Supposing that (*a*) is granted, (*b*) and (*c*) are to be in anticipation of audit of salary by the Examiner.

6. Considering the remoteness, and present condition of the Ganjam district, and the uncertainty of postal arrangements, I have the honor to submit that my proposals are not unreasonable, and to suggest that Government be moved on the subject.

From the Examiner of Public Works Accounts, dated 19th September 1889, No. 1361.

No. 4312-C.

Transferred to the Educational Department for consideration whether the examination rules may be relaxed in favor of appointments in the Ganjam district, the salaries of which commence at Rs. 20 and rise to Rs. 30 per mensem. This would meet the requirements of the Public Works Department, in which first appointments are seldom made in a higher grade.

(Signed) R. R. E. DRAKE-BROCKMAN, Lt.-Col., R.E.,
Ag. Joint Secy. to Govt., P.W.D.

26*th September* 1889.

Order—dated 21st October 1889, No. 657, Educational.

The Government is pleased to empower the Superintending Engineer, I Circle, to sanction exemptions from the operation of G.O., dated 28th July 1886, No. 482, in the case of acting appointments in the Ganjam district for periods not exceeding three months, provided he is satisfied that due efforts have been made to obtain fully qualified candidates and that this is impossible.
