GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—again the following paper:—

G.O., dated 15th August 1889, Mis. No. 532, Financial.

Read—the following endorsement of the Public Works Department, dated 8th August 1889, No. 647 D:—

ABSTRACT.—Transferring to the Financial Department, with reference to G.O., No. 41, dated 28th January 1889, office-note from the Examiner of Public Works Accounts, enquiring whether the new rates of pensionary and leave contribution should apply to certain officers and subordinates of the Public Works Department lent to Foreign service.

Order—dated 15th August 1889, Mis. No. 532, Financial.

The Government will defer passing orders on this reference until the report called for in G.O., No. 326, Financial, dated 28th May 1889, is received.

(True Extract.)

(Signed) J. F. PRICE,
Chief Secretary.

To the Public Works Department.

READ—also the following paper:—

From T. W. RAWLINS, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 22nd August 1889, No. 2984.

With reference to the Proceedings of Government, No. 326, dated the 28th of May 1889, requesting me to report as to the effect of applying the new rates of contribution prescribed by the Government of India in January last to the case of each officer of the Government of Madras lent to Foreign service, I have the honor to forward herewith a statement of officers who pay contribution to Government, and whose contributions are watched by this office. The statement shows the rate of contribution levied from them at present, as well as the rates at which it will be levied should the new rules be applied to them.

2. The register of officers lent to Native States and public bodies, maintained in this office, shows 298 names as detailed below:—

- (a) 34 Officers as per accompanying statement.
- (b) 137 „ lent to the Harbour Trust Board and Local bodies.
- (c) 127 „ „ Court of Wards.

The officers belonging to classes (b) and (c) have been omitted from the accompanying statement in accordance with the intention expressed in paragraph 2 of the Government Order referred to above.

3. Out of the 34 officers shown in the statement, 16 contribute for pension only, while the rest contribute both for pension and leave allowances.

4. The statement, it will be seen, includes all the Mysore officers whose names appear in the statement appended to Mr. Clogstoun's letter, No. 3447, dated 7th December 1887. But, in paragraph 4 of the Government of India's letter, No. 568,

Reliance to P.W.

dated 5th February 1885, embodied in G.O., No. 311, dated 6th March 1885, Pension, the control of the Madras Government was restricted to the pensions of such officers only as were transferred from this Presidency, the pensions of officers transferred from other parts of India being sanctioned by the Resident in Mysore, or possibly by the Governments from which they were respectively taken. In any case, this office is unable, without reference to the officers themselves or their superiors, to state what their "assumed pay" may be.

5. To avoid future misconception, I would suggest that you should point out to the Resident, in the event of your accepting my views, that the question of application or otherwise of the new rules to those officers will not be dealt with by this Government.

6. I particularly desire that it should be understood that the enclosed statement does not in any way pretend to give accurately the difference between the new and old rules in relation to the individual cases given, but merely to afford some indication by which Government may be guided in making their decisions. Before this office could give an entirely reliable report, it would be necessary to call for all the information which is required at the time of an officer's retirement.

7. The delay in the submission of this reply was owing to a reference to the Government of India, the reply to which was received in this office only a few days ago.

ORDER—dated 10th October 1889, No. 691, Financial.

The Government resolves not to apply the new rates of contribution in the case of any of the Madras officers whose names are entered in the statements furnished by the Accountant-General and the Examiner of Public Works Accounts.

2. A copy of these proceedings will be forwarded to the Resident in Mysore, with the remark that this Government will not deal with the question of applying the new rates to Nos. 2 to 5, 7, 8 and 10—17 in the Accountant-General's list.
