READ—the following paper :—

From Major D. McNEIL CAMPBELL, R.E., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaiswaram, 8th October 1889, No. 1747 G.D.

I have the honor to submit herewith the papers noted in the margin relative to the Police station-house at Bhímavaram vacated by the Police Department and to recommend that the building be handed over to the Local Fund Department as proposed by the Executive Engineer, Godávári Western Division, on the same conditions on which the old Taluk cutcherry building at Tanuku was given to the Local Fund Department—*vide* G.O., No. 1993 W. of the 23rd July 1889. I can find no other use to which the building in question can be put.

ENCLOSURES.

From W. J. A. SULLIVAN, Esq., Superintendent of Police, Godávári District, to the Superintending Engineer, I Circle, dated Rajahmundry, 22nd June 1889, No. 596.

As the marginally-noted building is no longer required by this department consequent on the removal of the station into the Taluk cutcherry at Bhímavaram, I have the honor to request you to be good enough to instruct the officer concerned under your control to take charge of the same.

From B. H. YOUNG, Esq., Executive Engineer, Godávári Western Division, to the Superintending Engineer, I Circle, dated 25th September 1889, No. 250.

In returning your endorsement No. 833 G.D. of 9th July 1889 on the Superintendent's of Police letter No. 596 of 22nd June 1889, I have the honor to inform you that the building in question is not at present borne in the register of buildings maintained in this office, but, as directed in the above endorsement, I have taken charge of it.

2. The roof of the building is almost gone and parts of the walls are exposed to the rains. The cost of the building at present state would be—

	RS.
Mud walls	15
Two doors and one window	7
Other wood	3
Total	25

3. This building is not required for any Government department, but as the President, Taluk Board, Narsápur, asks in his No. 133 of 2nd July 1889 to hand it over to the Local

Fund Department to use it for a girls' school, I would suggest that it may be transferred to that department, free of charge, in the same manner as was done in the case of the old Taluk eutcherry building at Tanuku—*vide* G.O., No. 1993 W. of 23rd July 1889.

ORDER—dated 30th October 1889, No. 3062 W., Public Works.

The transfer of the old Police station-house at Bhímavaram to the Narsápur Taluk Board is sanctioned, for use as a girls' school, and for such time as it is used as such.

Proceedings of the Board of Revenue (Land Revenue), dated 2nd July 1889, Mis. No. 3901.

THE HON. J. GROSE, M.A.

Read—the following papers:—

From L. C. MILLER, Esq., Acting Head Assistant Collector, Godavari, to the Collector of Godavari, dated 3rd June 1889, No. 384.

In reference to the Proceedings of the Madras Government, dated 28th March 1889, No. 2010, communicated to me with your endorsement No. 302, dated 9th April 1889, I have the honor to inform you that the Tahsildar of Tanuku taluk finds that the old taluk cutcherry building belongs to Government because—

- (1) it has been in possession of Government for 50 years without payment of rent or other charge for it, and
- (2) no one in the village lays claim to it.

2. The site is not wanted for public purposes, but the Taluk Board want it for a chattram to enable them to extend the present dispensary which is located in a chattram building. I think it may be transferred to the Local Fund Board for the purpose of a chattram, free of charge, for such time as it is used for that purpose.

No. 237.

Submitted to Government, through the Commissioners of Land Revenue, Madras, in reference to G.O., No. 2010, dated 28th March 1889 (copy enclosed).

2. The enclosure to the Government order, which has been detained by the Head Assistant Collector, will be returned direct to Government as soon as it is received back from him.
