READ—the following papers :—

Telegram from the Government of India, Military Department, dated 16th September 1889, No. 1854 M.W.

Your telegram ninth, relative amount required for additional packing shed, Madras Clothing Department. Cannot this be provided by reappropriation.

From Colonel W. H. BURTON, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chepâk, 30th September 1889, No. 4310.

With reference to your memorandum, No. 4156 C., dated 17th September 1889, I have the honor to state that certain estimates connected with public buildings for Native Cavalry Regiment at Bangalore sanctioned in G.O., No. 1302 W. of 25th May 1886, are under revision at the request of Quartermaster-General, and as it will take some time to obtain the necessary sanction to the revised estimate, the current year's grant of Rs. 20,000 for the work is not likely to be fully spent during the year; under these circumstances, Rs. 6,585 may be transferred from the above grant.

No. 4393 C.

Referred to the Military Department for favor of the very early opinion of His Excellency the Commander-in-Chief on the proposed transfer of Rs. 6,585 from the grant for public buildings for Native Cavalry Regiment at Bangalore to the packing shed for the Army Clothing Department, Madras.

2. This transfer of funds has been proposed with reference to the telegram from the Government of India, dated 16th September 1889, copy of which is herewith enclosed for information.

(Signed) R. R. E. DRAKE-BROCKMAN, Lt.-Col., R.E.,
1st October 1889. Ag. Joint Secy. to Govt., P.W.D.

From Brigadier-General M. PROTHEROE, C.B., C.S.I., Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 8th October 1889, No. 3401 A.

In returning as requested the correspondence forwarded with Reference Order No. 6739 of the 2nd instant, I am desired by the Commander-in-Chief to state that His Excellency considers it would be undesirable to divert any portion of the allotment made in the current year's Military Works budget for the construction of public buildings for the Madras Cavalry Regiment at Bangalore.

2. Estimates for the marginally-noted buildings have already received the approval of the Commander-in-Chief and the sanction of Government, and work on them can be commenced immediately, leaving a balance of Rs. 5,352 which would admit of a commencement being made on the combined saddle rooms and places-of-arms for the Madras Cavalry Regiment which His Excellency considers should be provided as soon as possible. The plans and estimate for the latter work are now being revised by the Public Works Department, and His Excellency desires me to solicit that the Superintending Engineer may be directed to expedite their submission in view to the early approval of the Military authorities and of Government being obtained thereto.
