EXAMINER, P. W. ACCOUNTS.

Madras, 4 February 1889.

OFFICE NOTE No. 156

V.

In consequence of the unsatisfactory state in which the accounts of the Dowlaishwaram Workshops have been redered by A Balasoondrum Pillay accountant 5th. grade, also of the repeated reports of the Executive Engineer in charge regarding the inefficiency of the accountant, I propose to revert him to the clerical establishment and to transfer S. Sankara Row accountant 5th. grade from my office to the Dowlaishwaram Workshops, and as the accounts of workshops are quite different from those of an ordinary executive division, I propose to post Sankara Row for about 2 months, to the workshops office at Madras, to enable him to become acquainted with the system

of workshop accounts before taking charge of his duties at Dowlaishwara

2. Please obtain the approval of Government to the above proposal with reference to code para 197.
