I have been desired by His Excellency the Commander-in-Chief to acknowledge receipt of the order of Government, number and date as per margin, on the subject of the employment of native troops on military works, and to express His Excellency's regret at the inability of the Public Works Department to find early employment for the men of the Pioneer regiments belonging to this Presidency.

3. The lists of artificers required in para. 4 of Public Works Order No. 3684 W., dated 21st ultimo, have been called for and will be furnished when received.

No. 69, Military.
