374/1 Educational Department

Proceedings of the Government of Madras.

Read the following

From the Students of the Engineer Subordinates Class dated 14th August 1888

From the Director of Public Instruction dated 27th October 1888 Nos 7924 and 7946 and 6th December 1888 No 9077.

Order 6 February 1889 No 62.

In the first of the foregoing papers Certain students of the Engineer Subordinate class of the College of Engineering request (1) that the minimum percentage of marks required for a certificate may be reduced from 75 to 66 in the case of a first class and from 50 to 40 in that of a second class certificate; (2) that students who fail at their first final examination but pass in a subsequent year may be allowed the same certificates and privileges as those who pass the first time.

2. The revised rules of the College of Engineering were prescribed after very full and careful discussion and the necessity for raising the previously existing standard was generally admitted. The Government see no reason to reduce the minima thus fixed and are not prepared to comply with the first request made by the petitioners.

3. As regards the second request it is partly supported by the Director of Public Instruction, who however considers that students who fail at their first final examination but subsequently succeed in passing should have no claim to employment in the P.W.D. It is observed that no such restriction was intended to be imposed in G.O. 4th June 1888 No 330 in the case of candidates of the draughtsmen class, and the Government consider that students of all classes should be treated alike.

4. The draft Notification submitted by the Director of Public Instruction with his letter No. 1946 dated 27th October 1888 is accordingly approved with the omission of the concluding Proviso proposed to be added as cl. (c) Note VIII and cl. (5) of Art. V. In view of the fact that these Students will not be ineligible for employment in the P. W. D. it was also considered advisable to omit the latter portion of the proviso to be added to Art. II. The Notification as thus revised will be published in the Fort St. George Gazette.

NOTIFICATION.

COLLEGE OF ENGINEERING, MADRAS.

No. 10.—The following alterations are made in the rules relating to the constitution of the College of Engineering :—

Article VII.—Certificates.

(*b*) A candidate who has failed to obtain a certificate from the Board at the Final Examination, may appear before the Board for examination at any subsequent year, provided he is certified to have put in the necessary attendance at the College and pays a fee as follows :—

	Rs.
Civil and Mechanical Engineers ..	30
Engineer Subordinates	20
Draftsmen	10
Surveyors	15

A candidate who succeeds in qualifying in this way will receive a certificate setting forth the class of study to which he has attained, but he will not be eligible for the final certificate until he has satisfactorily completed the prescribed practical course.

(*c*) The names of the candidates passing as described in paragraph (*b*) will be published in the *Fort St. George Gazette* in a separate list.

Article IX.—Practical Courses.

Add the following proviso :—

"Students who obtain their certificates in Article VII, clause (*b*), shall be entitled to receive practical instruction as Civil and Mechanical Engineers or as Engineer Subordinates respectively, on works being carried out by the Public Works Department, subject to such orders as may be passed by the Chief Engineers, and clause (3) of Article XI shall apply to such students whilst so engaged."

J. F. PRICE,
Chief Secretary.
