H. S. Thomas, Esq., f.l.s., f.z.s.

Read—the following Proceedings of the Board of Revenue (Land Revenue), dated 15th March 1888, No. 248 :—

Abstract.—Submitting for the orders of Government, with Board's support, letter from the Collector of Bellary requesting sanction for an allotment of Rs. 8,000 for the construction of a house for the use of the Head Assistant Collector, Hospet.

Order—dated 2nd May 1888, Mis. No. 2582, Revenue.

The Board of Revenue are requested to forward a plan of "the railway type of bungalow" alluded to in paragraph 2 of the Superintending Engineer's letter printed in the foregoing proceedings, and to state whether they consider the accommodation provided in a building of this description sufficient for an officer of the position of a Head Assistant Collector.

(True Extract.)

(Signed) J. F. PRICE,
Secretary to Government.

To the Commissioners of Land Revenue.

Reference on the above, dated 17th May 1888.

Forwarded to the Collector, who is requested to furnish the plan of the "railway type of bungalow" asked for by Government, and to report on the suitability of the accommodation furnished by it.

(Signed) H. A. SIM,
Acting Secretary.

To the Collector of Bellary.

Read—the following letter from H. St. A. GOODRICH, Esq., Collector of Bellary, to the Secretary to the Commissioners of Land Revenue, dated Bellary, 6th August 1888, Reference No. 1617 :—

With reference to the correspondence ending with Board's Reference on General Register No. 1019 of 17th May last, regarding the construction of a house for the Head Assistant Collector at Hospet, I have the honor to request that the Board may be moved to permit my Head Assistant to fix his residence in Bellary until such time as a suitable residence shall have been provided for him at Hospet.

2. The full period of touring within his division will be required of him.

3. In Nellore and other districts, I understand that permission for the Head Assistant's making the district capital his temporary head-quarters has been given. I am not informed of the arrangement made in such cases for the accommodation of his office. No Government building will be available in Bellary, but it will be possible to hire a small house.

4. I have asked the Superintending Engineer to furnish me with a plan of the railway type bungalow called for in the proceedings above referred to, and I will submit the same to the Board as soon as it is received from him.

RESOLUTION—dated 5th September 1888, No. 768.

Submitted to Government.

2. The Collector of Bellary has already reported in his letter, embodied in Board's Proceedings, dated 15th March 1888, No. 248, that the patched up "dirgah," in which the Head Assistant Collector at Hospet has had to live since one went there in 1882, is "scarcely habitable," and Government have taken action on this in their order, dated 2nd May 1888, No. 2582.

3. The Collector now recommends that the Head Assistant Collector may be allowed, till his new house is built, to live at Bellary, and the Board, under the circumstances, support his recommendation. It will be necessary, he reports, to hire a small house for the office; this the Board will see to when the orders of Government are received.

4. The submission of the plans of the building proposed to be built at Hospet should be expedited by the Collector.

Acting Secretary.
