Resolution—

The provisions of Financial Resolution No. 2679, dated the 31st August 1878, which empowered any Local Government to sanction in certain cases an addition to the pay of an officer employed under its orders as a charge against any funds under its control, including Municipal or Port Trust Funds or Wards' Estates, have been modified in some respects by subsequent orders, and it is expedient to consolidate all the orders on the subject. The following rules are now laid down in supersession of the orders referred to in the preamble:—

1. Unless in any particular case it be otherwise distinctly provided, the whole time of a public officer must be held to be paid for by the State, and he may be employed in any manner required by proper authority within his own branch of duty without claim for additional remuneration, whether the services rendered are such as would ordinarily be paid for from the Imperial or Provincial Revenues or from a Local Fund.

2. All municipalities and funds administered under a Local Government, inclusive of Port Trust Funds and Wards' Estates, are entitled to the gratuitous advice and services of officers of the Public Works Department, and of all Government Medical, Sanitary and Educational officers, whenever these can, in the opinion of the Local Government, be given without detriment to the public service. It will rest with the Local Government in each case to decide whether this last condition is fulfilled, and to indicate in each instance to what officer application for advice or assistance should be made. When a Municipality has its own Engineer or Manager, it will probably only desire to consult some superior officer of the Public Works or other department. In other cases more direct supervision and assistance may be considered desirable, and should be freely given without charge, if the Local Government decide that such supervision and assistance can be given without detriment to the public service. But these orders do not affect such officers as Directors of a Railway Company or Members of a Town Council or Port Trust (Government Director of the Darjeeling Railway,

Chairman and Vice-Chairman of the Rangoon Port Trust), who are entitled under any special or local law to receive fees or other remuneration for attendance at meetings of Railway Directors or Port Commissioners for the transaction of business.

3. A Local Government may sanction an increase to the pay of an officer for the performance of any special duty outside the duties of his regular appointment from Local, Municipal, or other funds administered by it, whether his pay is a Provincial or an Imperial charge, provided that the total emoluments of the officer after the increase do not exceed Rs. 250 a month.

4. A Local Government may also sanction a grant to any officer from Provincial Revenues as a bonus or honorarium for work done out of office hours and beyond the regular duties of his office, payment for which is a proper charge against those revenues. A similar grant under like conditions may be made by a Local Government from Imperial Funds within a limit of Rs. 200 in each case, and on the understanding that no excess over the budget grant for the head of service concerned is caused thereby; provided that in no case, without the sanction of the Government of India and the Secretary of State, shall the addition of the bonus or honorarium from whatever source raise the total emoluments of any officer above Rs. 5,000 a year. If it is proposed to grant to any officer for special work of any description a bonus or honorarium which will require the sanction of the Government of India or of the Secretary of State, as the case may be, the consent of the Government of India in the Finance Department must be obtained to the payment of a specific sum before the work is begun.

5. Remuneration shall not be given under these rules for superintending examinations rendered compulsory on persons belonging to the public service, but may be granted in the case of examinations of candidates for admission to the service, or where it has been specially authorised heretofore or when the fees received from the persons examined meet the whole charge. In such cases the proviso as to total emoluments specified in rule 4 does not apply.

6. Any servant of Government is eligible to receive without special permission the premium awarded for an essay or plan in public competition.

7. In other cases not provided for by existing special orders, the sanction of the Government of India should be obtained to the grant of remuneration in addition to the fixed pay of any public officer.

8. This Resolution does not affect the orders contained in the letter of the Government of India to the Government of the Punjab, No. 6714, dated the 20th December 1887.
