I have the honor to report to you as follows. The Government building for which I have to pay Rs 13 per month has not been habitable since my arrival, since the rains set in the overseer of the P.W.D has seen the house and I enclose a certificate by which you will see it is impossible for me to reside in it, after a shower the floor is flooded and the water soon sinks into the ground if not baled out.

Under the circumstances I respectfully request that I may be allowed a refund of the amount deducted from my pay ever Since my arrival as I have to pay rent for another house at Rs 15 per month.

I See from past records my predecessor was allowed a refund for rent paid by him under Similar circumstances.

This is to certify that the Asst Officers Bungalow at Pamban containing one drawing hall, one dining hall, two bed rooms, one side room with a bath room and 3 rooms in the verandah with tiled roof and office room upstairs with thatched roof, is badly leaking in the drawing hall and upstair office room and also here and there in the other portions of the building.

There was 6" of water in the drawing hall on the 19th October last when it rained heavily & water had to be baled out. Hence the building is not in a state fit to be occupied during the rainy season.

SIR,

I have the honor to forward in original the papers noted in the margin and to submit that, under the circumstances reported by Mr. Hamilton, the Port Officer at Pamban, it is for the consideration of Government whether he should not be allowed a refund of House rent charged him during the time he was prevented from occupying the Government building allowed for his use, owing to its un-inhabitable condition.

2. On the 1st of March last Mr. Hamilton brought to my notice that the building was leaking, and that he was obliged

to rent private quarters. I thereupon communicated with the Superintending Engineer VI Circle in view to his arranging with the Executive Engineer, Hamam Division for stopping the leakage and furnishing an estimate of the cost of the work. The action since taken is explained in the Executive Engineer's letter herewith forwarded.

3 On a former occasion (G.O. Marine, 19th July 1886, No 396 Misc) the Government were pleased to grant a refund of house rent to Mr James, the then occupant of the building, under circumstances almost analogous to the present.
