Subject.

Requesting to recommend
to permit him to
remain longer in the
service of Government.

I don't think Mr. Brassington's
attention to his work is beyond
age need be proposed but that
that he ought to be kept on to
carry out the High Court work.
I would apply for sanction to
keep him on for a year from
next September, intimating that
if he is still fit for duty & the
proprietor of the High Court state
requires that he should continue
application for further extension
will probably be made.
