GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following papers:—

From Brigadier-General M. PROTHEROE, C.B., C.S.I., Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 5th December 1888, No. 4043 B.

With advertence to Proceedings of Madras Government, No. 7773, dated the 20th ultimo, I am directed to point out that the Military authorities of the southern district and at Trichinopoly do not appear to have erred in their procedure regarding the case under reference, inasmuch as they acted throughout up to the instructions of the Government of India as communicated in Proceedings of Madras Government, No. 7099, dated the 14th December 1885, there being no cantonment funds available at Trichinopoly.

2. In ordinary cases when it might be thought desirable to carry out any works by Regimental agency, I am to remark that the sanction of Government would invariably be sought, agreeably to the provisions of para. 1099, Public Works Department Code; but, in the case under reference, the orders contained in Proceedings of Madras Government, No. 7099, before quoted, being so very explicit as regards the construction, &c., of latrines, Government was not addressed on the subject.

3. Under the explanation now afforded, as the Military authorities appear to have acted up to the instructions of Government as contained in Proceedings of Madras Government, No. 7099, of the 14th December 1885, His Excellency the Commander-in-Chief trusts that the Government may be pleased to remove the implied censure of their action as recorded in Proceedings of Madras Government, No. 7773, of the 20th ultimo.

4. To avoid any misconception in the future, I am desired to suggest that an additional clause may be added to paras. 1078 and 1079 of the Public Works Department Code as regards the provisions of funds by Executive Engineers for the constructions, &c., of latrines for Native corps, based on the ruling of the Government of India as conveyed in the Proceedings of Madras Government quoted above.

No. 8303, Military.

Referred to the Public Works Department for favor of further remarks. The Military authorities appear to have acted, in the present instance, in accordance with the ruling of the Government of India embodied in Proceedings of Madras Government, No. 7099, dated 14th December 1885.

2. To avoid further misunderstanding it is suggested that the ruling in the above-quoted Proceedings of Government be added to paras. 1078 and 1079 of the Public Works Code as proposed in para. 4 of the Quartermaster-General's letter.

(By order.)

FORT ST. GEORGE,
8th December 1888.

(Signed) A. KENNEY-HERBERT, Brigdr.-Genl.,
Secretary to Government.

From the Examiner, Public Works Accounts, dated 9th January 1889, No. 15.

ORDER—dated 15th January 1889, No. 93 W., Public Works.

It appears from the foregoing papers that the action taken by the Military authorities in regard to certain repairs to the latrines of the 17th Madras Infantry at Trichinopoly was correct, and that the Government in the Public Works Department passed endorsement No. 4395 C., dated 10th November 1888, in consequence of the ruling contained in G.O., No. 3068 W., dated 19th December 1885, not having been embodied in the Public Works Code. The Secretary to the Code Committee will be requested to submit a draft standing order making the necessary addition at an early date.

Read the following paper :—

No. 350. *Letter from the Executive Engineer, Trichinopoly Division ; dated 20th October* 1888, *No.* 317-*SE.*

ABSTRACT.—Submitting, for instructions, correspondence regarding repairs to be executed to the male and female latrines of the 17th Regiment, Madras Infantry.

No. 700-TC.

It is observed from the correspondence that the estimate of Rs. 284, dated 20th June 1888, for the above work was prepared by the Quarter Master of the Regiment without reference to the Executive Engineer, and that in sanctioning the estimate the Officer Commanding Southern District, in D.O., dated 14th August 1888, ordered that the charge should be met from the allotment placed at his disposal for the current year. This order was, with reference to Clause IV, Para. 1079, Public Works Code, communicated to the Commandant, 17th Regiment, Madras Infantry, by the Deputy Assistant Quarter Master General, Southern District, in his No. 2091 of 13th August 1888, with an intimation that the amount should be drawn through the Executive Engineer, Trichinopoly Division, and the work carried out regimentally.

2. In his letter No. 611-QMO of 25th September 1888, then the Commandant, 17th Regiment, applied to the Executive Engineer for the amount of the estimate, Rs. 284, forwarding a copy of the Deputy Assistant Quarter Master General's letter above quoted. The estimate was then applied for for reference by the Executive Engineer in his No. 422 of 8th October 1888, and received by him with letter No. 651-QMO of 15th idem, from the Commandant, 17th Regiment, Madras Infantry.

3. It would thus appear that, in the above case, the procedure laid down in Para. 1079 of the Public Works Code has not been observed by the Commandant, 17th Regiment. The undersigned is moreover at a loss to understand why the amount of the estimate should be placed at the disposal of this department when the work is ordered to be carried out regimentally.

4. The repairs proposed to the latrines are perhaps urgent. The estimate has been sanctioned by the Officer Commanding Southern District, and from the Deputy Assistant Quarter Master General's letter and D.O. above alluded to, it is concluded that the amount has been placed at the disposal of this department. The estimate has therefore been registered in this office as No. 19 * of 1888-89, and with a view of saving any inconvenience the Executive Engineer is authorised to advance the amount of the estimate for the work in question to the Commandant, 17th Regiment, Madras Infantry.

* Under Military repairs, special.

REQUESTED TO BE RETURNED WITH REPLY.

QUARTER MASTER GENERAL'S OFFICE,

Ootacamund,

5th December 1888.

No. 4024 B

From

BRIGADIER-GENERAL M. PROTHEROE, C.B., C.S.I.,

QUARTER MASTER GENERAL,

To

THE SECRETARY TO GOVERNMENT,

MILITARY DEPARTMENT.

SIR,

With adverture to P.M.G. No. 7773, dated the 20th ultimo, I am directed to point out, that the Military authorities of the Southern District, and at Trichinopoly, do not appear to have erred in their procedure regarding the case under reference, in as much as they act throughout, up to the instructions of the Government of India, as communicated in P.M.G. No. 7099, dated the 14th December 1888, there being no Cantonment Funds available at Trichinopoly.

2 In ordinary cases, when it might be thought desirable to carry out any works by Regimental Agency, I am to remark that the sanction of Government would invariably be sought, agreeably to the provisions of para 1099 Public Works Department Code, but in the case

case under reference the orders contained in P. M. G., No. 7099, before quoted being so very explicit as regards the construction etc: of latrines, Government was not addressed on the subject.

3. Under the explanation now afforded, as the Military authorities appear to have acted up to the instructions of Government as contained in P. M. G., No. 7099, of the 12th Dec: 85, His Excellency the Commander-in-Chief trusts that the Government may be pleased to remove the implied censure of their action as recorded in P. M. G. No. 7773 of the 2d Instant.

4. To avoid any misconception in the future, I am desired to suggest that an additional clause may be added to paras 1078 and 1079, of the Public Works Department Code, as regards the provision of funds by Executive Engineers for the construction etc: of latrines for Native troops, based on the ruling of the Government of India as conveyed in the P. M. G. quoted above.
