No. 178. From Colonel A. G. HUTCHINS, for Quarter Master General, Madras Army, to Brigdr.-Genl. A. KENNEY-HERBERT, Secretary to Government, Military Department; dated Ootacamund, 14th November 1889, No. 3309-B (Native Lines—Hutting).

I am desired to bring to the notice of Government that certain Native lines, as per margin, having already become the property of the State and the acquisition of others having been sought in this office letter No. 2936 of the 9th October 1889, His Excellency the Commander-in-Chief proposes, with the approval of Government, to publish the draft S.G.O. herewith forwarded, drawn up in accordance with the rules prescribed in the Bombay Barrack Regulations (see section 2, paras. 35, 49, 50 to 56 inclusive), which provides rules for the protection of such lines from wilful damage, and for their care, &c., when vacated, pending the issue of orders on the general subject of hutting, which it is understood will appear hereafter in Army Regulations, India, Vol. XII, Barrack.

2. As no such rules are at present in force for the protection of lines, the property of the State, when temporarily vacant, and as several regiments of Cavalry and Infantry are moving this season, His Excellency has already issued a circular\* on the subject, a copy of which I am directed to submit herewith for the information of Government.
