READ—the following letter from the Deputy Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 5th March 1887, No. 479 G. :—

I am directed to acknowledge the receipt of your letter, No. 364 W., dated 9th ultimo, in regard to the Engineer and Upper Subordinates establishment of the Public Works Department in the Madras presidency.

2. With reference to paragraphs 1 and 2, I am to observe that, against the sanctioned strength of 84 * Engineer officers, there are at present 79 members of the permanent Engineer establishment, of whom 15 are absentees, so that there are 64 officers now present to fill the 73 permanent posts of the sanctioned scale of 1881,† which scale, it is observed, His Excellency the Governor does not propose to reduce. Under these circumstances, it does not seem advisable to transfer Mr. Target from Madras, and I am to say that, so long as any temporary Engineers are employed in Madras, neither he nor any other officer of the permanent establishment lent to the Madras Government can be transferred.

* See this office No. 983 G., dated 16th July 1883, paragraph 4.

† See this office No. 1250 G., dated 23rd September 1881.

3. With reference to paragraph 3, I am to invite attention to this office telegram of the 9th ultimo, which conveys the decision come to by the Government of India in regard to the whole of the temporary establishment employed in Madras, and I am to add that the employment of temporary men can only be permitted so far as to maintain the permanent scale, which may be finally decided on after a reply has been received to Public Works Department circular letter, No. 283—93 G., dated 5th ultimo, which reply is now awaited.

ORDER—dated 22nd March 1887, No. 873 W., Public Works.
