2. Item No 1. As there is no probability
of the revised estimate being sanctioned
soon, the existing grant is surrendered.
Item No 2. The estimate having been
sanctioned only in October, the
work has been largely given on contract;
it is expected that only Rs 1000 could
be spent during the current off year.
Hence the balance of the grant is surrendered.
Item No 3. It is proposed that half
the estimated amount can be utilised
during the year, and a grant is
therefore required.
Item No 4. Estimates to the excess of
the existing grant have been sanctioned,
and the additional allotment
is therefore applied for.

I have the honor to be
