SUPERINTENDING ENGINEER'S OFFICE,

V Circle, Madras,

Chepák, 11 April 1890

No. 108.

From

Lt Col. N. Clarke. R.E.

Offg. SUPERINTENDING ENGINEER, V CIRCLE,

To

THE *Chief Engineer*
P.W. Department.

SIR,

Enclosures.

With reference to G.O. No. 1448 of 1 June 1889,
I have the honor to report that the General Superintendent P.W. Dorkhops reports that the consignments of Cast Iron Pipes imported by Messrs. Massey and Co. for the Coimbatore Municipality, have only been received in small quantities from June 1889 up to March 1890. He has had them all tested and all faulty ones put aside for Messrs. Massey & Co. to dispose of, as they may think fit.

2. The General Superintendent has now submitted a Bill for the work of testing amounting to Rs. 63-9- and has solicited

Solicited that the Foreman
and his Assistant may be
granted a Fee of Rupee one
for each successive Inspection
visit amounting to Rs. 18 in
all - or a sum total of ~~Rs.~~
Rupees 81 - 9 - 0

3. The Government order
does not lay down, that this
work of testing should be
carried out at the expense
of the Government, but
at the same time, it
can hardly be supposed
that the Quddapah M.
unicipality could have
expected that such work
could be carried out free
of charge.

4 I must now ask, what
were the intentions of Go-
vernment and to request
that orders on the Subject
of the Foreman and his
Assistant receiving
some

some gratuity for their ^{extra}
trouble in supervising the
work, may also be given.

I have the honor to be
Sir
Your Most Obedt Servt.

The Clerk L. J. P. C.
Offg. Superintd. Engrs
