G.O., dated 21st January 1890, No. 42, Educational.

ABSTRACT.—Approving the suggestion of the Commissioner, Uncovenanted Civil Service Examinations, for the examination of the subordinates of the Chief Engineer, Periyár Project; and passing orders regarding refund of examination fees in the cases referred to.

From D. DUNCAN, Esq., M.A., D.Sc., Acting Commissioner for the Uncovenanted Civil Service Examinations, to the Chief Secretary to Government, dated Madras, 12th March 1890, No. 268.

With reference to G.O., dated 21st January 1890, No. 42, Educational, directing a refund of fee "in all cases where a public servant is prevented by the exigencies of the service from appearing for an examination," I have the honor to request that Government will be pleased to reconsider this ruling. The question as to whether or not the fees paid by public servants for admission to the Special tests should be refunded to them when they are prevented on public grounds from attending an examination has more than once been considered, as will be seen from the accompanying papers to which I would respectfully invite the attention of Government. If a public servant had first to obtain the permission of his official superior before submitting his application and was subsequently debarred by that superior from attending the examination, there might be some reason, perhaps, for allowing him a refund; but no candidate is required to obtain this permission, or is forced to go up for the examination; if he does so, it is on his own responsibility and for his own benefit and with the full knowledge that he may be prevented by the exigencies of the public service, as by illness or any other cause, from appearing for the examination. In these circumstances, it does not appear to me that he is entitled to a refund, and I trust that taking this view of the matter, Government will be pleased now, on reconsideration, to cancel its order.

ORDER—dated 2nd April 1890, No. 267, Educational.

The Government, on further consideration, resolves to maintain the rule previously in force and to cancel paragraph 2 of G.O., dated 21st January 1890, No. 42, Educational, except so far as it relates to the case of C. Krishniah.

2. It is presumed that the notice on the back of the receipt given for the fee specifically refers to the contingency of the applicant being unable to get leave to attend the examination. If not, a clause to this effect should be introduced.
