GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Military Works.
Account.

READ—the following papers:—

Extract from the Proceedings of the Government of India in the Military Department, (No. 698-M.W., under date Fort William, the 13th March 1890).

Read—

India Army Circular (Special), Military Department, dated 28th October 1889.
Public Works Department Resolution No. 355-G., dated 5th February 1890.

Read also—

Letter from Inspector-General, Military Works, No. 546-A., dated 7th February 1890.

Observations—

For many years past military works in Bengal, the North-Western Provinces and Oudh, the Punjab, parts of the Central Provinces and in Baluchistan have, with certain exceptions, been under the direct control of the Inspector-General, Military Works, acting under the orders of the Government of India. In the orders cited above, this system was further extended to the Presidencies of Bombay and Madras, and the Provinces of Burma, Hyderabad, the remainder of the Central Provinces, and to Central India and Rajputana. It was, however, directed that the accounts should, until further orders, be submitted by the Executive Engineers to the provincial Examiners of Public Works Accounts. A change in this latter arrangement seems now desirable.

Resolution—

The Government of India are now pleased to direct that, with effect from the 1st April 1890, the accounts of military works in the Presidencies of Bombay and Madras and in the Central Provinces, Hyderabad, Central India and Rajputana, shall be dealt with precisely as the accounts of military works in Bengal, the North-Western Provinces and Oudh, the Punjab, Assam, and Baluchistan, have of late years been dealt with. Under this arrangement the accounts of expenditure controlled by the Inspector-General of Military Works will be rendered by Executive Engineers of the Military Works Department to the Examiner of Military Works Accounts at Simla, and accounts of military works remaining under the control of Local Governments, and consequently incurred in Public Works divisions, will be dealt with by the provincial Examiner. The accounts of expenditure in Burma under the control of the Inspector-General will, with the permission of the Chief Commissioner, be dealt with by the local Examiner, who will hold the same relation to the Inspector-General with respect to this part of his work as the Examiner of Military Works Accounts does. A percentage, to be fixed hereafter, will be allowed to provincial funds for this service.

2. Up to the 31st March 1890, the various Governments and Administrations will continue to pay and audit the salaries of the Military Works divisions, which were formed on 1st January, making the usual percentage charges for this service. In

Bombay and Madras, a Superintending Engineer has recently been posted to supervise military works, but as the Bombay and Madras Governments are in consequence relieved of the supervision, the pay of the two officers will, up to the 31st March, with the approval of the Governments of Bombay and Madras, be charged against the provincial grants and considered as covered by the percentage charge.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab, in the Public Works Department.
The Chief Commissioners, Central Provinces, Burma, and Assam.
The Resident at Hyderabad.
The Agents to the Governor-General for Central India and Rajputana.
The Inspector-General of Military Works.
The Accountant-General, Public Works Department.

Order.—Ordered, that this resolution be communicated to the Local Governments, Administrations and officers noted in the margin, for information and guidance.

(Signed) A. C. TOKER, Colonel,
for Secretary to the Govt. of India.

To the Secretary to the Government of Madras,
Public Works Department.

Office note from the Examiner, Public Works Accounts, dated Madras, 3rd April 1890, No. 1985.

[Your office note No. 1630 C., dated 26th March 1890.]

There have been no additional charges made for establishment in connection with the new Madras and Bangalore Divisions, the work being carried on by existing provincial establishment. Captain Speed, who is apparently the only additional officer appointed in connection with these divisions, has not claimed any pay up to date. Any charges on his account will therefore fall in April and will not go against the Madras Provincial grant.

2. There remains therefore only the pay of Superintending Engineer and his office, which is extra and special, thus made up—

Months.	Salary.	Travelling allowance.	Contingencies.
	Rs. A. P.	Rs. A. P.	Rs. A. P.
December 1889	1,475 11 11	369 12 0	17 0 0
January 1890	1,660 12 10	416 15 0	87 9 0
February „	1,754 10 3	547 2 1	210 2 6
	4,891 3 0	1,333 13 1	314 11 6

or in round numbers Rs. 6,540, which will be an additional charge to the provincial grant.

3. The above figures are based on the assumption that the charges audited from 1st March 1890 and which will appear in the accounts for April 1890 will be borne by the Military Works Department.

Order—dated 24th April 1890, No. 1214 W., Public Works.

The resolution of the Government of India above recorded will be communicated to the Military Department and to the Examiner, Public Works Accounts.

2. The proposal in para. 2, that this Government shall continue to pay and audit the salaries of the Military Works divisions in Madras up to 31st March 1890, is accepted on the understanding that the usual contribution of 23 per cent. on all Military Works expenditure incurred up to that date will be made to provincial funds. The pay of the Superintending Engineer, Military Works, and his office establishment will, however, be an extra charge to provincial funds which the Government is not disposed to bear. The Government of India will be addressed accordingly.

LETTER—from
Lieutenant-Colonel R. R. E. DRAKE-BROCKMAN, R.E.,
Ag. Joint Secretary to the Government of Madras,
Public Works Department,

To
THE SECRETARY TO THE GOVERNMENT OF INDIA,
MILITARY DEPARTMENT.

SIR,

In acknowledging the receipt of Government of India Resolution No. 698 M.W., dated 13th March 1890, I am directed to state that the proposal in para. 2, that this Government shall continue to pay and audit the salaries of the Military Works divisions in Madras up to 31st March 1890, is accepted on the understanding that the usual contribution of 23 per cent. on all Military Works expenditure incurred up to that date will be made to provincial funds. The pay of the Superintending Engineer, Military Works, and his office establishment would, however, form an extra charge to provincial funds of Rs. 6,540 * which His Excellency the Governor in Council is not disposed to accept. Although, as stated, this Government has been relieved of the supervision of Military Works at certain stations, no saving to provincial funds has been effected thereby, inasmuch as it has not been found practicable to reduce the number of Superintending Engineers in the Public Works Department. The transfer of the principal Military Works in this Presidency to the Inspector-General of Military Works and the refusal of the Government of India to accept the services of the Madras Royal Engineer officers nominated by His Excellency the Governor in Council for the Military Works Department have inflicted a heavy loss on provincial funds, and I am therefore to express a hope that the Government of India will not press its proposal with respect to the pay of the Superintending Engineer.
