Copy of the letter from J.C. Lammie Esq.  
Executive Engineer Trichinopoly D<sup>n</sup> to the Sup<sup>r</sup>  
Engineer H. Birch Trichinopoly. No 9106 E  
d/29<sup>th</sup> March 1890

On the 23<sup>rd</sup> Instant I received semi  
official instructions from the Chief Engineer  
to report myself to the Resident in Banga-  
lore on the 15<sup>th</sup> Proximo after despatch of  
my accounts for March the Administra-  
tion Report and the transfer of charge  
of the Division.

2. Knowing that the Resident will  
probably leave Bangalore about the  
middle of April and doubting the  
possibility of my being able to close up  
the accounts in time to enable me to  
be there by that date. I wrote to the  
Assistant Resident stating these  
circumstances and suggesting that  
if the Resident was likely to leave  
Bangalore, as I supposed I should  
come up there at once for a day or  
two and receive his instructions.  
I also wrote semi officially to the  
Chief Engineer stating that I had done  
so.

3. I have just received the en-  
closed Telegram from the Assistant  
Resident

Resident and in compliance therewith  
I propose starting for Bangalore tomorrow  
afternoon (Sunday)

4. I trust my procedure will be  
approved of and that I will be  
considered to have been on duty  
during my journey to and fro and  
for the couple of days I shall be in  
Bangalore prior to my journey there  
later on in April. You will notice  
that as I supposed the Resident  
leaves Bangalore on the 15<sup>th</sup> April

Procedure approved and the  
journey to Bangalore will of  
course count as on service
