Copy of the letter from J.C. Lammie Esq.
Executive Engineer Trichinopoly Dⁿ to the Sup^r
Engineer H. Birch Trichinopoly. No 9106 E
d/29th March 1890

On the 23rd Instant I received semi
official instructions from the Chief Engineer
to report myself to the Resident in Banga-
lore on the 15th Proximo after despatch of
my accounts for March the Administra-
tion Report and the transfer of charge
of the Division.

2. Knowing that the Resident will
probably leave Bangalore about the
middle of April and doubting the
possibility of my being able to close up
the accounts in time to enable me to
be there by that date. I wrote to the
Assistant Resident stating these
circumstances and suggesting that
if the Resident was likely to leave
Bangalore, as I supposed I should
come up there at once for a day or
two and receive his instructions.
I also wrote semi officially to the
Chief Engineer stating that I had done
so.

3. I have just received the en-
closed Telegram from the Assistant
Resident

Resident and in compliance therewith
I propose starting for Bangalore tomorrow
afternoon (Sunday)

4. I trust my procedure will be
approved of and that I will be
considered to have been on duty
during my journey to and fro and
for the couple of days I shall be in
Bangalore prior to my journey there
later on in April. You will notice
that as I supposed the Resident
leaves Bangalore on the 15th April

Forwards Copy of the Trichinopoly division Executive Engineer No 910K 29.3.90 re for orders confirming Suptg. Engineer approval to enable Mr Lammie, drawing T. Allowance during his absence out of the Circle, on duty in connection with -

Note - Mr Lammie having gone to Bangalore in the interests of the Circle, it is suggested for consideration whether his absence should be less than 2 months. I suppose they will say when he goes for duty. But what is the duty? I saw Mr Lammie at the P.W.C. A. C. A. here the other day - since then, what was he doing here? We are sure. I suppose he is on the trip to Bangalore as he must be returning to duty. He told me he was off on casual leave granted by D.C. II. in Oct. 1890. 19.4.90
