No. 1439 M.D.

Report by the Superintending Engineer, VI Circle, on the revised estimate of Rs. 14,055 for constructing a District Munsif's Court-house at Paramakudi, Ramnad zemindari, Madura district.

The building which was partly constructed on an estimate of Rs. 13,400 previously sanctioned but subsequently revised to Rs. 12,693 having failed, Government, in G.O., No. 2529 W., dated 12th September 1889, ordered the re-commencement of the work on a safer site.

2. The new site selected is shown on the accompanying survey. The surface soil for 5 to 6 feet in depth is a sandy loam and underlying it is hard blue clay. This clay is of a different description from that on which the condemned building was erected and is further protected from any possibility of cracking by the overlying sandy soil and by the water surface being but little below the surface of the clay.

3. The design is exactly the same as previously sanctioned with the exception of some slight difference in foundations. In the superstructure a portion of the back verandah will be enclosed to form a copyist's room as directed in G.O., No. 1260 W., dated 30th April 1888.

4. The rates are fair and some of them have been slightly increased as materials have to be removed to the new site.

5. The site selected has been approved by the Judicial Department, but as the compensation has not yet been settled, an approximate amount has been entered in the estimate. A lump sum provision of Rs. 100 is made for raising the condemned building to 1 foot below ground level. The loss on this building after transferring all useful materials is Rs. 4,447 which has to be written off.

6. The estimate is forwarded to the District Judge, Madura, for transmission, through the High Court, to Government for sanction—*vide* para. 989 of the Public Works Code.

17th May 1890.

Order—dated 23rd May 1890, No. 1449 W., Public Works.

The revised estimate, amounting to Rs. 14,055, for constructing a District Munsif's Court-house at Paramakudi in the Madura district, is sanctioned.

2. A sum of Rs. 6,000 has been provided for the work in the Provincial budget for 1890-91, and a further grant will be made, if necessary, on application from the Superintending Engineer. The work should be pushed on as rapidly as possible.

3. The loss of Rs. 4,447 incurred on account of the condemned building referred to in G.O., No. 2529 W., dated 12th September 1889, will be charged off to the work.

4. This sanction has been registered as Provincial No. 14 W. of 1890-91, and classified as Civil Buildings, Original Works.
