PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Presidency Port Officer, Madras
dated 19th April 1890, No. 58 of 1890
I have the honor to forward
for the approval of the Government the
accompanying estimate for raising the
obelisk standing among the huts of
Thirthalam Village and to beg that
the necessary funds may be placed at
the disposal of the Executive Engineer,
Circular. The estimate was called for
at the instance of the officer in charge
of the Marine Survey of India, who in
a letter addressed to me on the subject
pointed out the desirability of increasing
the height of the obelisk so that it
might form a useful bearing mark to
vessels passing the Sacramento shoal.
I consider that the cost should be
made a general charge, as the obelisk
is a mark for ships passing along

the coast.

Order 14th May 1890 No 164.

The estimate is within the Presidency Port Officers powers of sanction, and will be returned to him for the necessary action.

The charge should be regarded as a general one, and the Accountant General will place the sum of Rupees (433) four hundred and thirty three at the disposal of the Public Works Department from Port funds.
