2. As regards the additional claim
now preferred I would remark as follows.

Items 2 to 7 inclusive appear to be
joining expenses when proceeding to join
his appointment in Burma and are
therefore inadmissible as he was not
travelling on transfer but to join a new
appointment on this Railway.

If travelling allowance was admis-
sible under the rules nothing in excess
of 4 annas a mile for travelling by road
for himself and double 2nd class Rail-
way fare only could have been passed.
Travelling allowance for family and servants
and Custom house dues etc are inadmis-
sible but as he was only appointed to
this Line and not transferred from
another Government appointment not-
hing in excess of steamer fare is ad-
missible and this has already been
passed

passed.

Item 8. Inadmissible as he travelled with a free 2nd class pass from Rangoon to Prome which entitled him to take a servant Single fare is however admissible for self and may now be claimed.

Items 9, 12 and 14. Inadmissible under the rules ordinary mileage only can be passed.

Items 10, 11, and 13 mileage at 4 annas a mile for actual distances travelled is admissible under the rules.

6/14/59

I have the honor to bring to your notice
the following facts connected with the claim
for pay due to Mr. J. Smithers Sub-Engineer
II. grade, while attached to the Burma
State Railway Establishment, and to request
that you will take steps for the settlement
of his claims as early as possible.

2- In his letter to me No 1478/27-4-88 the
Executive Engineer 6 Division, informed me
that Mr. J. Smithers had been granted leave
for 2 months and 15 days from 18 September
and in the meantime he was transferred
to this Division. He reported himself for
duty here on the 30th November 87 afternoon
and the last pay certificate granted to him
in Burma showed that he was relieved
there on the afternoon of 30 September.

Having this last pay certificate as my basis
I claimed in the salary bill for December
the pay due to him from 1st October 87 and
onward, but in your disallowance list
376 of 87-88 you struck out the claim
for October and November 87 on the basis
that the pay for that period is payable
debitable to Burma Division under
439 of P. W. Code.

He

He has been paid Rs 57-5-4 as per
slip for October 87, as per debit advice
No. 50 of 19-3-88 from this Office and
acceptance No. 11 of 1-5-88 vide schedule
of credits and debits to transfers for
March '88.

In his letter No. 1478²⁷⁻⁴⁻⁸⁸ the Executive
Engineer 6 Division Loringoo-mandalay
Union states "that the pay due to him
for the period of his leave with the
exception of 1 day in November has all
been advised to be paid and he is quite
aware of any orders to draw his salary
his Division for the full month of
November and that he has referred the
matter to the Engineer in chief and
will inform me of the result hereafter."

He has not yet advised the
payment of pay due to Mr. Smithers with
exception of one day in November
stated by him. As Mr. Smithers
to be paid in the Burma Division
end of November 87, I have the
honor to request that you will address
Executive Engineer of that Division
and obtain early orders on the subject.

The following points are not clear
the date on which Mr. Smithers was relieved
this is given as 30 September with
pay certificate and as 18 September

M

Burma Executive Engineer No. 1478²⁷⁻⁴⁻⁸⁸

2 - Whether Mr. Smithers has been paid
his salary from 18th 530 September 7th 1889

3 - Only part salary for October viz
Rs 57-5-4 has been advised. It would
therefore appear that some balance is due
for this month.

4 - Up to date Mr. Smithers has received
no pay at all for November
