Note on draft order allotting funds from the reserve.

—

If the Hon. Member will pass the draft, striking out the first item, the order will be issued at once.

Information is not available at Ootacamund as regards urgency of the first works, beyond what is stated in G.O. No 2516 W dt 23-9-87, but inquiries will be made in the Budget branch of any of these at Madras, and if anything more can be said for it, it will be included in a subsequent draft order.

The Hon. Member's remarks on the Budget orders have been noted. In a note received from the Budget branch with the

Rs 2,67,113 was provided for Temporary Establishment against a demand of Rs 1,60,000 (Vide para 9 of Budget note dated 19th December 1890). The increased grant was provided in view to the total reductions being correctly ascertained and the surplus being transferred towards. As the reductions have now been accurately estimated, the excess provision under Temporary Establishment 4/62 (Rs 2,67,113 – 1,62,522) Rs 1,04,591 will be added to the reduction estimated by the Examiner which will then stand at Rs 2,35,338. tributions from other funds having been reduced to Rs 15,69,154 against Rs 16,74,492 provided in the preliminary budget, the difference Rs 1,05,338 will have to be met from the savings above referred to. Deducting Rs 1,05,338 from the savings of Rs 2,35,338, the net reduction will be Rs 1,30,000. The cost of Establishment debitable to Provincial has therefore been reduced by Rs 1,30,000 i.e from 6,50,000 to 5,20,000. Out of the saving of Rs 1,30,000 Rs 80,000 have been allotted under Tools and Plant to cover loss by exchange on London supplies, and

and the difference Rs 1,20,000 has been transferred to Works. Of this sum Rs 58,000 have been allotted to works in the budget and the balance Rs 62,000 added to the Reserve. As it was decided by the Committee at the Public Works budget-meeting held in December last, that any balance available from reserve for establishment should be allotted under Law and justice, Administration, and Police, a separate draft order is herewith submitted making an appropriation of Rs 54,294. In the case of Law and justice, and Police, the works which were brought forward

forward by the officials concerned but were not provided with funds in the preliminary budget have now been provided with allotments by means of judging the urgent works under Administration being available, by orders sanctioning the estimates for the works under that head have been collected, and it is proposed to provide funds for those works for which the Board of Revenue recommend allotment of funds. It is also proposed in the draft order to provide funds for the works referred to G.O.s of Nos. 1025 W., dated 31st March

Note for the Honorable Member with reference to his queries on the draft order on the final issue of the Provincial Budget for 1890-91, and the draft order making certain appropriations from the Provincial reserve.

Provincial Budget

The reserve (Rs 2,61,367) fixed in the final issue of the budget appears considerable, but as the three draft orders In press making appropriations, reduce the amount to Rs 2,03,960 which is only Rs 4,353 in excess of that provided in the preliminary budget; no further action seems necessary.

The Honorable Member having remarked on the order sanctioning the estimate for the Commemorated Tree

Free Library & Victoria
Technical Institute
took the grant of
Rs 1,00,000 for the
Military Hospital
should be spent on
the former work,
no steps were taken
to appropriate this
amount to other
works. On receipt
of the budget order
from Government
an office note was
sent to the Consulting
Architects asking
him to report what
sum could be spent
on the Library and
Institute in addition
to the grant of
Rs 1,00,000 provided
in the final budget.
That officer in reply
stated that he was
unable at present
to estimate the
requir =

not now required

requirement, but
that he would do so
when forwarding
detailed plans &
estimates. As no
work, excepting the
collection of materials,
can be done in connection
with the Technical
Institute until
detailed plans and
estimates have been
sanctioned, and as
nearly two months
of the official year
have already expired,
it is not likely that
any very large
additional grant
can be spent on the
work during the
current official
year. It is therefore
proposed to resume
the grant for the
Military Hospital
reserving 70,000 Rs
therefrom for the
Technical Institute

in

in case an additional
grant is required,
and appropriating
the balance Rs 500,000
to other works. If
however there is no
demand for an
additional grant,
the sum can be
spent on other
works under
Administration for
which estimates are
under preparation.
A draft order is
accordingly submitted
for approval.
Together with the
following remarks
in connection with
the works for which
provision of funds
is therein proposed.

the Collector of the District recommended that the grant of Rs 6,000 provided for the Sub-Magistrate's office at Pilet shines be transferred to this work, and the proposal is under reference to the Revenue Deptt. It is therefore proposed to provide an additional grant of Rs 10,000 which can be spent.

Constructing the Artillery Barracks at Trichinopoly into an office for the Collector &c.

A sum of Rs 10,037 was provided for this work during 1887-88, but as no further grant was made for it in the current year's budget, it is proposed to allot Rs 10,000 for the work which is in progress.

Constructing an additional compound iron godown - shed at the Port of Masulipatam.

A sum of Rs 4,500 only has been provided for the work in the current year's budget, but as the estimate since sanctioned amounted to Rs. 6,350 it is proposed to provide the balance Rs. 1850.

Tahsildar's office at Perinthalmanna

The estimate for this work was sanctioned nearly 2 years ago, for execution when funds were available. Vide Govt No 2380 W. Vide Govt No 2380 W. d/ 12th October 1888, and as funds have been provided in the current year's budget for the Taluk office at Badagara

which

which was sanctioned in the same G.O. it is proposed to allot Rs 10,000 for the work in the accompanying draft order.

Draft order making certain appropriation sent in linked file with the Provincial budget. With reference to the A. M's query against the proposed bathroom at the Chingleput District Court it is submitted that the allotment was proposed, as the work appeared as the 17th in the list of works Rs brought forward by the Registrar of the High Court, and because items 18, 19 & 20 which appeared next in order of urgency were provided with funds in 1889-90 & 1890-91. Besides this, there is nothing to be said in favour of this work.
