GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Account.

READ—the following paper:—

G.O., dated 14th May 1890, No. 364, Financial.

Read—the following letter from the Government of India, Finance and Commerce Department, dated 22nd April 1890, No. 1914:—

I am directed to acknowledge the receipt of your endorsement No. 180 F., dated 6th March 1890, forwarding a copy of the Proceedings of the Government of Madras regarding the inconvenience caused to the Public Works Department in consequence of the insufficiency of the stock of small silver coin in the Ootacamund Treasury.

2. In reply, I am to state that inquiry made from the Comptroller and Auditor General shows that the inconvenience complained of was not due to any delay on his part in complying with the demands for remittance made by the Accountant-General, Madras. With the existing system of widely scattered Government treasuries occasional inconvenience of the kind now brought to notice is not easily avoidable under stress of sudden emergencies such as that of the Ganjam famine, but the attention which the matter has now received will, it is hoped, be effectual in removing the cause for similar complaints in future.

Order—dated 14th May 1890, No. 364, Financial.
