2ND JUNE 1890, No. 1533 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper :—

Office note from the Examiner, Public Works Accounts, dated Madras, 17th May 1890, No. 2867.

With reference to para. 2 of G.O., No. 770 W., dated 8th March 1890, requiring me to report separately on the subject of the general failure to use form No. 152-A, referred to in para. 3 (not para. 2 as mentioned in the Government Order) of my office note No. 1130, dated 4th March 1890, I beg to state that I have examined 27 reports on offices inspected after the issue of the Standing Order No. 397 of 19th July 1888 prescribing the form in question, that is to say, 21 reports of first inspections and 6 of second inspections after the issue of the Standing Order, and I find that in 14 cases out of 21 cases of first inspections and in 3 out of 6 cases of second inspections the orders were not attended to at all. I have not thought it necessary to carry the examination any further, but I have no reason to suppose that the propositions would vary much if the whole of the reports were examined.

2. The form is intended for use by lower subordinates, petty, office, medical and inferior works establishment, in preferring their claims for travelling allowance, and if the test audit of the travelling allowance of such establishment is to mean anything and is really to be carried out, it seems desirable that failure to provide the material for such audit should involve disallowance or some other consequence which will give all concerned an inducement to see that the rule is observed.

3. I beg therefore that such general orders may be issued as will effectually prevent any further disregard of the code rule.

ORDER—dated 2nd June 1890, No. 1533 W., Public Works.

Communicated to Superintending Engineers who will see that form No. 152-A is invariably used in preferring claims to travelling allowance on behalf of members of the classes of establishment named by the Examiner.

2. Claims not preferred in the proper form should be disallowed by controlling officers.
