I cannot check the amount due. The accounts received up to March 1890 show only Rs.187-9-9 as due to the contractor; so that there must apparently have been subsequent claims.

2. The Executive Engineer is responsible that the amount due is paid to the proper persons on production of the necessary documents, and as the Superintending Engineer says that steps will be taken to ensure payment only being made to the deceased contractor's legal heir or heirs, Government may apparently order the payment to be made, all requisite precautions being taken.
