GOVERNMENT OF MADRAS.
MILITARY DEPARTMENT.

Engineers—Officers.

Read the following paper:—

No. From Major-Genl. E. H. H. COLLEN, C.I.E., Secretary to the Government of India, Military Department, to the Adjutant-General in India; dated Simla, the 7th May 1890, No. 1016-A.

Engineers—Officers.

With reference to the correspondence marginally noted, I am directed to state, for His Excellency's information, that the Government of India approve of the continuous service officers of Royal Engineers, who may attend the future courses of instruction at Chatham, being selected under the orders of the Commander-in-Chief, in communication with the Local Governments and departments under which they are serving. The officers of the Madras and Bombay establishments will similarly be selected by the Commanders-in-Chief of those presidencies, in communication with your office and with the Local Governments.

2. The final approval in all these cases will, however, rest with the Government of India, to whom any case of a department objecting to the services of an officer being spared on the ground of public inconvenience should be referred for decision.
