To

His Excellency the Governor
General in Council and Viceroy
of India. Calcutta

The humble appeal of
Choudaswaroop Amappa
late Channel Superintendent
Bapatla Range. Krishna
District Cohebroli

May It Please Your Excellency

1 That your applicant was
entertained in Government service as
Channel Superintendent on 19th August
1856.

2 That, up to 31st March 1878, he held
that post and discharged his duties with

2
great care and attention, as well as to
the satisfaction of his superiors, bearing
a good character (vide the copies of the
testimonials herewith submitted) $\frac{15}{7}$

3 That thus he has rendered a service
of 22 years (short by 5 months only) without
fault

4 That in the year 1878, arrangement
was made, when his services were dis-
pensed with, with a promise of pension

5 That he was subsequently ordered to
produce medical certificate, promising that
he would be given pension. He accordingly
did.

6 That he further submitted some
papers concerning his service in the year
1881, under the orders of authorities

7 That in the same year, he got an endor-
sement from the Examiner of Public works
Department that his pension papers

3

had been submitted to Government^{15/2}.

8 That so he was with full hopes of getting
pension

9 That while such he in the same year
received an endorsement that the grant of
his pension had been refused by Madras
Government under the orders of your Government.

10 That this caused a great sorrow to your
appellant, having blasted all his hopes of getting
pension

11 That this he attributed to nothing but
to his misfortune, and has been weeping
over his fate.

12 That he has not been favoured at least
with gratuity.

13 That he in conclusion most humbly
& respectfully prays your Excellency to be
pleased and kind enough to pursue all

the papers concerning the case, ¹⁵ calling for
them ^{from Government of Madras} and peruse what are submitted
herewith: and do justice granting him
pension, who worked hard with zeal for
about 22 years, hoping to get pension, &
who has become old, and been suffering
much for want of means of livelihood,
excusing him for delay (not very long one)

For such an act of charity

and kindness

He humbly begs to remain

21st November } your Excellency's most obedient-
1889 } & humble servant
