Copy of letter No. 55 dated
30th April 1890 from Mr. J.C. Johnston
Executive Engineer Kurnool division
to the Superintending Engineer Bellary.

A trifling sum of R.0-14-0 has
been spent in this office for purchasing
1 lb of sealing wax for sealing packets etc
to be registered in the Post office as the
supply of wax made by the Stationery
Deptt last year was entirely exhausted
and fresh supply not received to date.
I have the honor therefore to request that
you will be so good as to ask the
Chief Engineer to authorise the Examiner
of P.W. accounts to admit this contingent
charge appearing in this months con-
tingent bill of this division.

No. 385
