GOVERNMENT OF INDIA.

PUBLIC WORKS DEPARTMENT.

GENERAL.

To The Joint Secretary to the Government
of Madras
Railway Branch
Public Works Department

Simla, the 23rd May 1890.

Sir,

With reference to your letter No. 1180 W.
dated the 21st April 1890 intimating that in
consequence of the transfer of Military Works to
the Military Works Department the Engineer Cadre
for Madras will be reduced by 2 Engineers and 6
Subordinates and requesting the sanction of the
Government of India thereto. I am directed to point
out that in the Engineer Cadre sanctioned for
Madras a provision of 1 Executive and 1 Assistant
Engineer each was made for the Presidency and
Nilgiri Divisions. It is not therefore clear why
reduction of 2 Engineers only is proposed, and I am
to request an explanation on this point, and to
ask that a statement shewing the distribution of
the new Cadre by Divisions may be furnished.

I have the honour to be
Your most ^{devoted} obedient servant.

Sir,

In reply to your letter

Similarly on the closure of
the Kilgiri division, the

2. A statement showing

The distribution of the new
cadre of Engineers and
Upper Subordinates is
forwarded as requested.
The statement gives the dis-
tribution according to present
requirements, and makes
provision for only one
Engineer for Tank Parties, as
against three allowed in
your letter No. 3042 G dated
29th Nov. 1888, but the Cud-
dalore bridge works, a
special temporary division,
for the present absorbs one
Executive Engineer, and the
Gudivada division the other,
and it will be seen that
the distribution allows for
only seven absentees.

The total of 75 Executive
and Assistant Engineers has
been divided between the
classes (38+37) in accordance
with the rule prescribed in
para 32/a/ Madras P.W. Code.
