Letter from W. Joseph Esq., Executive Engineer, Kistna Eastern Division, to the Superintending Engineer II Circle, dated 23rd May 1890 No 1043.

With reference to the concluding part of your memorandum No. 484 K.S. of 22nd instant, I have the honor to inform you that Assistant Ancient Superintendent J. Ramanujulu Chetty was relieved in the Gudivada Division on the 27th February and on the 1st March he entered into the effective charge of his duties here.

2. In the abstract for March, pay was claimed from the 28th February, but the Examiner disallowed that day's pay as well as that for March on the grounds

- (1) that the transit pay for 28th February requires the sanction of Government, as the person had no substantive appointment.
- (2) the health certificate although given by the Surgeon at Gunter was not in proper printed form.

3. The transit pay was erroneously claimed but the pay from 1st March is

is due as that is the day on which he actually assumed charge of his duties in the Division.

As regards the health certificate that issued by the Surgeon was all right in essential points, but it was not quite formal. It has since been returned for revision in proper form.

4. As there is no doubt that the man should have his pay from March last, I have the honor to request your formal sanction for advancing the man his pay for March and April pending adjustment in the audit by the Examiner, who seems to have disallowed the pay on mere formal grounds. The Assistant Ancient Superintendent has written to say that having been so long without pay, without any fault of his own, he is getting into difficulties.
