OFFICE NOTE No. 3/28.

To Encls. 1.

W.

With reference to para 2 of G.O. No. 692 W. dated 4th. March 1890, herewith a printed copy of revised form No. M. II 2, "Provincial statement of objectionable items", for transmission to the Government of India.

2. I must point out that practically so far the only change made in the form is abolition of separate column for estimate irregularities and appropriation irregularities, which is a consequence of the decision to submit separate reports regarding the two kinds of irregularities. There have been so many other matters to attend to, what with the revision of the system of work in my office, and the consideration of questions arising out of the Accounts Committee's report, that I have so far found it quite impossible to give to these objectionable items statements such personal attention as will alone enable me to suggest more important improvements of the form.
