Letter on Mr Targett's
Case.

The Govt. of India
was requested by
letter on 4th February
to transfer Mr Targett
to his own Presidency.

Mr Targett pro-
ceeded on privilege
leave on 21st February
knowing that he would
probably not have
to return to Madras.

In spite of repeated
telegraphic reminders,
the Govt. of India mes-
sage transferring him
was not received until
21st April. This was
reported to the Chief
Govt. P. Project on the
same day. Mr

Target's leave unaccounted
had expired on 13 April
& he had no alternative
in the absence of orders,
than to return to Madras
from Bangalore, within
the period of his leave.

If the Govt. of India
telegram had been re-
ceived a few days
earlier, Mr Target
would have been saved
the journey from Bangalore
to Madras.

He therefore asks
that his return to
Madras may be re-
garded as a transfer
so that he may be
allowed joining time
under Article 202 &
travelling allowance
under Article 1214, C.S.
Regul.

The Dir. however
holds that as Mr

Target returned to
the Station from which
he took privilege leave
neither joining time nor
travelling allowance
is admissible.

Recd 9.6.50

The Examiner is quite right I
think. The order shows that
that Mr Target's departure at
Madras cannot be regarded as
the light of a transfer.

days joining time may be added to the period of

Forwarded to the Chief Engineer

2. The word "permanently" used
in my telegram of the 15th February
was taken from that of the Chief
Engineer P.W.D. to this office dated
12 February.

3 Mr Target handed over charge
of his Division on the forenoon of
the 2nd and my No 320 P.R. of 19th
should have been received before
he left Madura.

4. As Mr Target actually rejoined
at Madura within the period of
his leave it is not clear what he
would gain by being allowed
joining time, but by a telegram

Lately received he is transferred to
Rajaputana and if this order had
been received a few days earlier
he would have been saved the
expense of the journey from Bangalore
to Madras and it would seem
only reasonable under the cir-
cumstances that he should be
allowed travelling allowance for
that journey.

Submits letter from Periyar
Engr Mr. C.B. Target
requesting to give him the
usual - He informs
that for the reasons
stated the travelling
allowance for the journey
from Bangalore to Madras
may be allowed -

To W.

It is conceivable that in some
very special circumstances Mr. Target
might be equitably entitled to joining
time, but it is impossible to give an
opinion on the claim in the absence of
a clear statement of the circumstances
preceding and attending his temporary
return to No. 2 Periyar Division.

2. In the absence of such explana-
tion, I can only say that under the rules
joining time is not admissible. The fact
of Mr. Target having sold some of his
property is not prima facie relevant to
the question.

Please say whether there will be any audit objection to travelling allowance being passed to Mr. Target for the journey from Bangalore to Madras as this journey would have been unnecessary if the transfer order had been received earlier.
