Order. 2nd June 1890 N^o 626

The return for the quarter ending with
31st December 1889 shows that fair progress in the work of verifying
Service books was made in most of the Public works Offices, but the
number (349) of books that still remain unverified is considerable. No
work appears to have been done in the Gudivada and South Arcot
divisions.

The return for the quarter ending with 31st March

1890 should be submitted at an early date.
